My name is Allegra Bonifacio, and I graduated from Selkirk in 2006. Four years later, in 2010, I graduated from Reynolds Secondary School. I am currently 19 years old in my second year at UVic.

My time at Selkirk served as a foundation for a great deal of what I love today. Music is and always has been a passion of mine, and if it weren't for all the creative outlets and opportunities at Selkirk, I wouldn't have the confidence or the love for music I have today.

I started playing Clarinet in grade 6, which I used as my band instrument in high school. I was also introduced to choral singing in grade 1, and guitar in grade 5. The talent shows and concerts put on in my elementary years helped with stage presence and confidence, and inspired me to take on a number of music projects, each more enriching than the next.

I'm so thankful for my time at Selkirk. I'll always feel at home whenever I visit.
